REFERENCE LETTER

With this reference letter on behalf of G&J sp.z o.o. I confirm many years of cooperation in the field of broadly understood internet solutions.

This cooperation allows us to recommend the company LEMONADE STUDIO as a very reliable and professional contractor, familiar and fluent in using modern technologies and solutions during the implementation of innovative projects carried out at our request.

The team is fluent in the use of tools in the following spaces:

- Web Design & Development,
- UI / UX Design,
- 3D visualizations & dedicated 3D App WebGL Implementation,
- 3D animation,
- videoproduction.

The combination of outstanding technical efficiency of the team and innovative concepts of delivered solutions gave a great final result in implementing technological investments, often going beyond the currently accepted quality standards.

All work was carried out extremely efficiently, on time and in accordance with all the principles of art. LEMONADE STUDIO is distinguished by great commitment, imaginative concept, extraordinary efficiency and organization of work.

We fully recommend LEMONADE STUDIO as an extremely reliable partner in technological investments in the field of Comprehensive 3D, video, Web & App development services.
